## Charities and Community

Did you know that Guilsfield Show is a charity fund raising event? Guilsfield Show is self-funding and relies on the enormous support of our local community and show visitors to continue each year. Our show costs are covered by our entrance fees, profit from our social functions and the generous support of our sponsors. All our committee members are volunteers, and we are also supported by many members of our local community.

In addition, Guilsfield Show aims to raise money for charitable causes each year and part of the Presidents' role is to nominate the charities for that year. In 2022, our presidents' John and Sally Jones nominated the Lingen Davies Cancer Fund and The RJAH Orthopaedic League of Friends (Welshpool Branch) as their chosen charities and following the show, a £500 donation was made to each. The proceeds from the dog show were also donated directly to Guilsfield Church and totalled £85.

Our 2023 President Gaynor Hughes has nominated The RJAH Orthopaedic Hospital (Welshpool Branch) and Macmillan Cancer Support as the Presidents' charities for 2023. We are sure you will agree these are very worthwhile causes.

The Guilsfield Show committee strongly believe we are a community led event and we are always looking for people to join us. Many hands make light work as they say! If you have ideas to benefit the show or want to volunteer some time, please contact Guy on 07918 9777703. We would love to hear from you.

## Show President for 2023

Guilsfield Show are delighted to announce that Gaynor Hughes will be the show president for 2023.

“Having been born into a farming family in the Guilsfield area, I have attended the Show from an early age, so I am very delighted and honoured to have been asked to be the Show President for 2023. My late husband Terry and I started our business J T Hughes at Fairview Garage in the centre of Guilsfield, where the people from here and the surrounding area have always supported us, as they have supported the Show, volunteering alongside the dedicated Show Committee.

Guilsfield Show is a real family social event where there is something of interest for all ages and, together with my family, I am very much looking forward to seeing you all on the day.

As the longstanding Chairperson of The RJAH Orthopaedic Hospital (Welshpool Branch) I am delighted that the Show is supporting this charity once more, along with McMillan Cancer Support.”

### Dog In Cars On Hot Days

- When travelling to the show please consider if the route to the show is on a busy holiday route and leave earlier to avoid increase time in traffic jams.
- If your car is not air conditioned, seriously consider whether travelling your dog in a car to the show is a good idea.
- The vehicle should be as fully ventilated as possible. Plenty of stops should be taken en route with lots of drinking water available.
- Ensure your dog is not sitting in direct sunlight. There should be plenty of free-flowing air around your dog.
- Never leave your dog in the vehicle when parked.
- Keep your dog in the shade – if necessary, take your own shade (eg. A large umbrella) and have plenty of water available for your dog to drink.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.
- Remember your dog is very likely to feel much hotter and dehydrated than you and this could lead to dire results.
- Please look after your dog's welfare at all times.
- **If your dog is found to be at risk, forcible entry to your vehicle maybe necessary. Guilfield Show will accept no liability for any damaged caused.**

Anyone whose dog is entered at a Kennel Club licenced event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Break of Kennel Club regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club regulations.
